laying out a Park on the Farm called the "Pattirubbisheka Udyana" It was then stated that the M.L.C. have made due provision to meet their share of the cost viz Rs 1000/-

2. It is now reported that this Park was laid out thro' the Magency and that the M.L.C. have spent a sum of Rs 1000/- already and the work is completed in accordance with the estimate prepared by the Govt Gardens' Deptt. It is therefore proposed to utilize the above grant for carrying out further improvements to the Park as detailed in the P.V.D., without any contribution from the M.L.C. towards these items of work. It would have been better if the D.C. had at the outset stated the above facts, instead of wasting so much

3. Anyhow as the grant will be utilized for effecting improvements to the Park, the recommendation of the D.C. may perhaps be sanctioned
